THE BEE HIVE

Our PARIS PATTERN HATS

Have met with a flattering reception. Patrons wonder that we can sell them at such modest prices. The secret, by the way, lies in buying them in such large quantities and from first hands. All declare the styles unique and absolutely new. No two trimmed alike. Prices from \$1.00 to \$5.00, but worth fully 30% to 40% more.

A COMPLETE DRESS GOODS STOCK.

We believe we are justified in stating that our Dress Goods Stock is not complete in every detail. There's nothing in woolen or cotton fabrics that is not to be found in our store for spring of 1900 but what you will find it here. Venitians for the ladies, in various colors, from \$1.00 to \$5.00. Plaids—Cotton, 40 inches wide, worth fully 75¢, our price 50¢. Golf plaids from \$1.00 to \$5.00. Wool plaids, 40 inches wide, \$1.00 to \$5.00. Sybeline plaids from \$1.00 to \$5.00. Gonsalva Cloth, a gem of the weaver's art, 60 inches wide, \$1.00 a yard. Brocaded Brocades that are sold elsewhere at 40¢ are priced here at 25¢, and a host of other fabrics that lack of space prevents mentioning.

\$12.50 TAILOR-MADE SUITS FOR \$4.95.

We ask you but to inspect these suits and judge of their merits for yourself. They are made of all-wool Venitians Cloth, jacket lined with silk and skirt of best grade percale. We guarantee a proper fit with each suit. Our special price gods.

HER MAJESTY'S Corset!

MAKES PERFECT FORMS.

If you are瘦, this Corset will reduce the hips and abdomen to graceful proportions; if you are slender, it will round you out and give you a slightly figure. As a form maker Her Majesty's Corset has not its equal in the whole world. It adds a hundred per cent. to the appearance of many who wear it—indeed, it adds a most glorious tight facing, which is a great deal in its favor. Ask to see Her Majesty's.

RIVER NEWS

The Bonanza for Pomeroy will pass up tonight.

A small shipment of coal left Pittsburgh yesterday.

The Lizzie Bay will pass down tomorrow from Charleston for Cincinnati.

A telephone cable 5,270 feet long has been laid across the Ohio to Louisville.

The City of Pittsburgh will be up late this afternoon for Pittsburgh from Louisville yesterday.

The Queen City, with a nice list of round-trip passengers aboard, will pass up tonight for Pittsburgh.

The steamer Lexington, which sunk several days ago in the Kanawha, has been raised, and is now on the 14th Pleasant docks.

The Bay Brothers have sued the Cincinnati, Portsmouth, Big Sandy and Pomeroy Packet Company for \$3,000, last payment on a debt that Company owes plaintiffs.

Reports from down the river are to the effect that coal for fuel for steamboats is even scarcer down the river than it is above here. Steamboats, both from packet and towboats, say they are having all sorts of trouble getting coal, and when they do get it the prices are fearfully high. Ten cents a bushel is an ordinary price for fuel at many points. Fuel for steam purposes in Maysville is almost entirely out, and when you do get slack you have to pay any where from 50¢ to per bushel.

Laripe cough often continues for months, and even to fatal results after the patient is supposed to have recovered. For a safe and certain remedy for this, Dr. Bell's Pine-Tar-Honey affords positive protection and security from this cough.

Compare it with other local papers, and then say, if you can, that THE LEDGER isn't the best, and that it doesn't give the most for the money. Can't you afford to have it left at your residence for a month? Mr. Hal Curran will be glad to book your order.

These W. Carver of Atlanta, Ga. had malignant cancer and one bottle of Eddy's Kidney Cure effected a perfect cure, and Dr. Bell's Pine-Tar-Honey is easily compared with it. Accept no substitute.

J. Jas. Wood & Son, Armstrong & Co.

There should be an increased demand for Dr. Bell's Pine-Tar-Honey in the early day. The English Government has authorized the purchase of 30,000 cavalry horses, and as Kentucky furnishes the best cavalry horse in the country, there should be a boom in saddle.
